

Add Color & Movement with

Dori Poles by

Adding color and movement to your outdoor event has never been easier with Dori Poles. Durable, lightweight, Dori Poles are a festive way to enhance the look and feel of your event.

Excitement is in the air with Dori Poles!

- These long, beautiful pennant flags float beautifully in the lightest of wind.
- Fiberglass poles are lightweight, flexible, and can reach up to 22 feet in height.
- The display poles are designed to swivel so your pennant flag resists tangling on the pole and always floats beautifully.
